I forwarded all of you an invite from EPA for this meeting, however I cannot see your response to know if you received it, so here are the details for the March 3, 10-12 meeting.

Interagency update/Q&A on Stream Protection Rule We will be meeting in the EPA West Building. Best to enter through the Constitution Ave. entrance (1301 Constitution Avenue, NW). When you arrive, you can give the security desk there my contact info (202-566-2231) and they will then call me to escort folks up. For folks participating remotely, Call-in: **Ex. 6 - Personal Privacy** Any questions (or if this Outlook meeting invite does not translate), don't hesitate to get in touch with me. Tim Landers

Due to scheduling conflicts the USEPA briefing has been tentatively moved to next week - we are trying to include the ACE in this briefing - looking at 3/1 - 3/3. Will update you when I have more specifics.

USEPA has proposed a two hour briefing next week, they would like us to walk through the key changes from the proposed SPR that are being considered for the final rule. In addition to the headquarters staff I would like one representative from

each functional group to be available to call in for the meeting. Let me know who that will be and when you are NOT available ... thanks. Harry
